REQUEST FOR CHANGE IN DOCUMENT CODE

Commissioner for Patents:

Applicant submits hereby a request that a document code of A.I. for an entry Mail Room Date 07-14-2009 be changed to A. because the Response at issue was formal and responsive.

Please find attached Exhibit A, a true and accurate partial screen shot of the USPTO Private PAIR website for the above application taken on the above date by the undersigned. Applicant notes that the first 07-14-2009 Mailroom Date has a Document Code of A.I. which indicates an "Informal or Non-Responsive Amendment." Applicant submits that this is in error because the 13 page response is both thorough and detailed and addresses all issues. Applicant submits that there is nothing "Informal or Non-Responsive" about the Amendment. Applicant therefore requests that the 07-14-2009 entry noted above be recoded as A., thereby indicating "Amendment/Req Reconsideration-After Non-Final Reject." If the Commissioner does not grant this request then Applicant respectfully requests the Commissioner detail with specificity what part of the Response is considered "Informal or Non-Responsive."

This communication contains 3 pages total. (2 written, 1 Exhibit A)

Communication via cleartext email is authorized.

Respectfully submitted,
